Registration is limited to no more than 3 officials from any single program.

Accreditation Seminar #1 (7.5 ECE Credits)

April 10 (8:00a.m. - 4:00p.m.)

This track is appropriate for program officials and others who participate in the accreditation process and is particularly helpful for those who are in the process of preparing a self-study report. Participation in the seminar facilitates understanding of the JRCERT accreditation process, the JRCERT accreditation standards, and the Guide for Program Analysis. This workshop will also include the general theoretical background relative to outcomes assessment and activities to facilitate the design of an outcomes assessment plan.

Interim Report Session

April 10 (4:00p.m. - 5:00p.m.)

JRCERT staff will discuss methods for preparing and submitting an Interim Report and participants will have an opportunity to ask questions.

Site Visitor Workshop #2 (14 ECE Credits)

April 11 (8:00a.m. - 4:00p.m.) in conjunction with Webinar hours*

This track is a comprehensive workshop provided to **qualifying** JRCERT site visitors and apprentices. The workshop assists site visitors and apprentices in developing/refining the knowledge and skills required to perform JRCERT site visits utilizing the relevant JRCERT accreditation standards, the Guide for Program Analysis, and the Report of Site Visit Team Findings. This workshop will also include the general theoretical background relative to outcomes assessment.

Please note that Webinar hours and accompanying assignments must be completed prior to the April 11th workshop. Additionally, participants are required to have computer hardware and software installed on their computer.
