

2010 Accreditation Seminar and Site Visitor Workshop Webinars

The JRCERT will begin offering the Accreditation Seminar and Site Visitor Workshops via a webinar format in 2010. The first webinars will be offered in March and April. These webinars are being offered to selected attendees and registration **is not open** for all individuals to participate.

The second offering of webinars is being planned for the early fall of 2010. When the dates of the seminar/workshops are established, information will be broadcast to all programs and placed on the JRCERT Web site under "Calendar of Events".

These seminar/workshops will be delivered utilizing Microsoft Office Live Meeting web conferencing software.

There is no fee for either of the webinars, but registration is required and attendee numbers will be capped at twelve (12) participants.
