

Important Information Regarding Event Registration:

The JRCERT reserves the right to cancel any event due to a lack of participants. Each event identifies the minimum number of participants needed to confirm the event, as well as the current number of registrations received to date, and the maximum number of participants allowed. Until the minimum number of participants is met, the JRCERT Web site will continue to identify a deadline for canceling the event. If the JRCERT cancels an event, registration fees will be refunded to the debit/credit card used for registration. Refunds may take up to 10 business days to process. A confirmation e-mail will be sent once the minimum number of participants is met. **Please do not purchase airfare/lodging until you receive this confirmation e-mail.**

If a participant is unable to attend an event, a request for refund must be received at jluczak@jrcert.org **no later than 10 business days prior to the event.** Fees will be refunded to the debit/credit card used for registration and a \$30 cancellation fee will be deducted. No refunds, full or partial, will be made after this deadline. However, the participant may substitute someone else from the program. Substitution request must be received at jluczak@jrcert.org **no later than 5 business days prior to the event.**
