Summary & Questions

This workshop is approved for 4 Category A continuing education credits as designated by the American Society of Radiologic Technologists (ASRT).

Participants must complete the following to receive continuing education credits:

- Attend the session
- Be present and turn on camera when attendance is being taken
- Complete post-test in LINK
- Complete brief survey in LINK
- Complete legal document in LINK

(Information regarding LINK will be provided at the end of the session)

The Board of Directors and staff of the JRCERT thank the radiologic science educational community for its continuing support of programmatic accreditation.

The JRCERT promotes excellence in education and elevates the quality and safety of patient care through the accreditation of educational programs in radiography, radiation therapy, magnetic resonance, and medical dosimetry
