PROGRAM INFORMATION UPDATE

In accordance with the United States Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA), the JRCERT displays certain program information on its website to promote transparency. Please review the information for your program available at https://www.jrcert.org/find-a-program/, indicate below whether the information is correct or needs to be updated, and attach this form to Question 14 of the Program Annual Report.

I. General Information	
Program Name	
JRCERT Program Number	

II. Information Review - Please select one of the below options and fill in the information, if applicable.	
— All of the information listed on the JRCERT website is correct (Note: Program Effectiveness Data will be updated after the Program Annual Report is processed)	
☐ The information on the website is not correct and the below information should be changed.	

Item	Correct Information to be Displayed
Program Director Phone	
Program Director Email	
Annual Tuition (Resident)	
Annual Tuition (Non-Resident)	
Program Website URL	

Please note:
- If an alternative learning option or the program length is incorrect or missing, please contact the office. This may require the submission of a Substantive Change Request.
- Program Effectiveness Data will be updated once the Program Annual Report is processed in the office.
- If any other information is incorrect (program address, terminal award, clinical settings), please contact the office.

The JRCERT promotes excellence in education through the application of professional standards that endorse academic integrity and quality, as well as exemplary healthcare, through the accreditation of educational programs in radiography, radiation therapy, magnetic resonance, and medical dosimetry.
